### FOOD SAFETY DIVISION

# Foam Safe Plus

## **Liquid Alkaline Chlorinated Foam Cleaner**

# **FOOD SAFETY** CHEMICALS

#### DESCRIPTION

- Liquid alkaline chlorinated foam cleaner for uses containing concentrated detergents, oxidising inhibitors and wetting agents.
- The thick foam produced acts concentrated cleaner which adheres to horizontal and vertical surfaces machinery.
- Easily removes grease, oil, proteins, starch, destaining at the same time. The chlorine in its composition enforces its action towards the removal of stains and proteins.
- Its composition and cleaning action helps to reduce the number of microbes.
- Hard water tolerant, rinses away easily and is biodegradable.

Recommended for use in all types of food processing facilities and outlets, such as meat and fish processing, bakeries, dairy industries and others.

### DIRECTIONS FOR USE

Rinse surfaces and machinery with approved potable water to remove heavy soils.

Dilutions depend on the degree and type of soils.

Foaming by machine: Dilute 3 - 6% for dense foam. Through a foaming machine, cover surfaces well. Rinse with approved potable water.

Manual foaming: Dilute 3 - 5% for dense foam. Use a sponge to cover surfaces well. Rinse with approved potable water.

Safe on aluminium when diluted according to directions and rinsed well with water.

### **Brand Approval**

Packaging	20 Litres
Physical state	Liquid
Colour	Colourless
Odour	Light chlorine
pH	Ca 13,0
Density	1.070 g/ml
Alkalinity/acidity	N/A
Flashpoint	>100°C does not maintain combustion
Explosive properties	N/A
Oxidising properties	N/A
Viscosity	N/A
Solubility	Soluble 20° C
Boiling point	100° C
Melting point	N/A

Food Safety Chemicals gives the assurance of top quality and performance together with safety and environmental care in line with the latest worldwide regulations. Food Safety Chemicals products comply with European legislative and HACCP requirements for the purposes intended.

Additional information concerning handling, storage and safety of the product are contained in the Material Safety Data Sheet and on the label of the product.
